Surplus Food Donations

A socially responsible and simple alternative to throwing away surplus food
Food Donation Connection

Our Vision
When they had all had enough to eat, Jesus said to his disciples, "Gather the pieces that are left over. Let nothing be wasted."
John 6:12 (NIV)

Our Mission
Expand our global network linking available sources of surplus food to those in need through existing charitable organizations.

Grow our company in a manner that provides a level of profitability necessary to carry out our vision.

- **Feed People** – Donate extra food to food banks, soup kitchens and shelters
